Auf ein Wort

Im Jahr 2025 hatte ich das besondere Vergnügen, als Jurymitglied beim German International Photocup (GIP) dabei zu sein, einem Wettbewerb, den ich seit Jahren bewundere. In diesem Jahr wurde ich von den herzlichen Gastgebern Norbert und Karin Heil eingeladen und freute mich, dieser Gemeinschaft aus angesehenen Juroren aus verschiedenen Ländern anzugehören und das Land Luxemburg zu vertreten. Das GIP bleibt ein Vorbild an Qualität und zieht zahlreiche Teilnehmer aus vielen Ländern an, darunter 250 junge Fotografen, die ihr bemerkenswertes Talent und ihre Kreativität zeigten.

Die Veranstaltung war tadellos organisiert, mit einem absolut top organisiertem Bewertungsprozess, der lebhafte Diskussionen und vielfältige Perspektiven unter den Juroren ermöglichte. Ich schätzte die Gelegenheit, mich mit den anderen Juroren auszutauschen und Einblicke zu gewinnen, die meine Erfahrung bereicherten.

Ich war besonders beeindruckt von der Qualität und Vielfalt der Einsendungen, was den Auswahlprozess sowohl herausfordernd als auch lohnend machte. Der wunderschön gedruckte Katalog, ein Markenzeichen des GIP, erfasst das lebhafte Wesen des Wettbewerbs und bietet somit eine greifbare Würdigung dieser Kunstform.

Rückblickend auf meine Erfahrung drücke ich meine Dankbarkeit für die warme Atmosphäre und die Gelegenheit aus, die Entwicklung der Fotografie durch die Augen dieser talentierten Künstler zu erleben. Die GIP 2025 war für mich ein Zeugnis für die anhaltende Leidenschaft für Fotografie und die lebendige Gemeinschaft, die sie fördert.

Und dass dieser Wettbewerb auch in Zukunft weiterhin so erfolgreich und professionell organisiert werden kann.

On my mind

In 2025, I had the distinct pleasure of serving as a jury member for the German International Photocup (GIP), a competition I have admired for years. This year, I was invited by the warm hosts, Norbert and Karin Heil, and was delighted to join this community of esteemed jurors from various countries, representing Luxembourg. The GIP remains a model of quality, attracting numerous participants from many countries, including 250 young photographers who showcased their remarkable talent and creativity.

The event was impeccably organized, with an exceptionally well-structured judging process that allowed for lively discussions and diverse perspectives among the jurors. I appreciated the opportunity to engage with fellow jurors and gain insights that enriched my experience.

I was particularly impressed by the quality and diversity of the submissions, making the selection process both challenging and rewarding. The beautifully printed catalog, a hallmark of the GIP, captures the vibrant essence of the competition and offers a tangible appreciation of this form of art.

Reflecting on my experience, I express my gratitude for the warm atmosphere and the opportunity to witness the evolution of photography through the eyes of these talented artists. The GIP 2025 was, for me, a testament to the enduring passion for photography and the vibrant community it fosters.

May this competition continue to be organized so successfully and so professionally in the future.

DER UDO

Udo Krämer hatte eine hervorragende Idee. Wer die Wettbewerbe verfolgt, wird immer wieder feststellen, daß Fotos dabei sind, die in der Endabrechnung aller Juroren nicht auf vorderen Plätzen landen, die man aber dennoch selbst gerne gemacht hätte. Also erwarb Udo für seinen Jurorenpreis einige Nachbildungen eines berühmten Medienpreises. Da er ihn aber nicht so nennen durfte, wurde daraus der UDO.

Our judge Udo Krämer had a wonderful idea. In each judging you see images which will not reach an award, but as a judge you think I would make it in the same way. Udo bought some copies of a very famous media prize, but he couldn't named it like the original, so he called it UDO.
